

Service Level Agreement

This document sets out the basis on which the Chartered Institute of Library and Information Professionals (hereafter 'CILIP') will commission services from CILIP in Scotland (hereafter 'CILIPS'), an independently-registered legal entity (Registration No SCO38532) based in Scotland.

This agreement will run on a rolling annual basis starting on January 1st 2020.

1. Understanding

- 1.1. CILIP is the UK's information and library association, operating under Royal Charter to unite, develop and promote the interests of information professionals and librarians living and working in the UK.
- 1.2. CILIPS (formerly the Scottish Library Association) was formed in 1908 and affiliated with CILIP in 1931, retaining its own constitution and governance structure. It became a Scottish Charitable Incorporated Association (SCIO) on the 28th October 2016 (between August 2007 and October 2016 it was an Unincorporated Association).
- 1.3. CILIPS SCIO and CILIP work in affiliation governed by legal agreements dated 1931 and 1995, to support and represent CILIP members living and working in Scotland
- 1.4. Under the terms of this Service Level Agreement:
 - CILIP will retain such staff as it deems necessary for the delivery of the activities governed under this SLA, who will be deployed to work with CILIPS.
 - For the purposes of compliance and to ensure that the employment status of the deployed staff is unequivocal, CILIP will also register as a cross-border Charity in support of this SLA.
 - The annual programme of work to be delivered under the terms of this SLA is set out in Section 4 (below).
 - CILIPS SCIO will continue to deliver its own programmes and activities (for the agreed benefit of members in Scotland), funded and staffed independently of the activities governed under this SLA.
 - In recognition of the relationship of commissioner and delivery partner established under this SLA, CILIP will exclude (no longer consolidate) CILIPS finances from its annual accounts.
 - The CILIPS Trustee Board is responsible for the delivery of the activities governed under this SLA.
- 1.5. CILIP staff deployed in Scotland will have equitable access with all other CILIP employees, to CILIP systems and that, where appropriate, CILIP will undertake to provide support and equipment for this purpose.

2. High-level principles

2.1 CILIP and CILIPS have discussed the following ‘high level principles’ which will inform the management of this SLA:

a) Distinct nature of Scottish representation

CILIP and CILIPS recognise the distinct constitutional, legal, educational and devolved political context in Scotland. CILIP commissions services from CILIPS to ensure that activities reflect and are appropriate to this distinct context.

b) Independence and affiliation

The Parties agree that legal advice received in 2014 clarified that CILIPS is a legally distinct organisation affiliated to CILIP, maintaining the status arising from the 1931 and 1995 Agreements.

c) Mutuality

The Parties recognise the mutual benefit for members in Scotland and elsewhere in the UK of a continuing relationship in which membership of CILIPS arises from membership of CILIP, maintaining recognition of mutual issues and principles in separate and distinct legal, political and educational environments.

3. Common aims for CILIP and CILIPS

3.1 CILIP and CILIPS share the common aim of delivering public benefit by improving the profile, recognition and status of the information and knowledge management and library professions.

3.2 The Parties share the following overall aims:

- Delivering value for members;
- Maximising efficiency;
- Promoting communication and collaboration;
- Increasing the impact of our work together;
- Sharing good practice;
- Sharing insight into future plans; and
- Agreeing financial arrangements

3.3 In addition, the Parties share the following intended outcomes for this SLA:

- Recognising and strengthening the parity of esteem between the Parties, including at Trustee and Presidential level, reflected in this SLA;
- Ensuring that CILIP members in Scotland continue to receive a high standard of support and representation about the issues that matter to them;
- Working together to ensure the delivery of all shared priorities and objectives including working together to grow and retain CILIP’s membership base;
- Ensuring the respective roles of the Parties are understood by members and stakeholders;

- Enabling the Parties to work together on a common programme of activity and support while also pursuing their respective programmes and priorities independently where appropriate;
- Continuing to provide a strong advocacy voice for the information and library sectors;
- Agreeing a fair and cost-effective financial model for this SLA which reflects the needs and aspirations of CILIP members in Scotland
